Testifying expert witness for O2Micro in this patent infringement litigation matter. The case was dropped.

Nolan, Armstrong and Barton

Palo Alto, CA

Case: US v Lan Lee and Yuefi Ge before the US District Court, Northern District of California, San Jose Division, Case No. C 06-00424-JW, the Honorable James Ware presiding

Dates: July 2009 – November 2009

Testifying expert witness for Lan Lee in this criminal case. The defendants were charged with violating the US Economic Espionage Act of 1996 and of theft of trade secrets. The trial began on October 20, 2009 and I was called to testify on November 3-4, 2009. The trial ended with an acquittal of the defendants on the charges on which I testified, and a mistrial on the remaining charges in the trial.

Howrey LLP

San Francisco, CA

Case: Monolithic Power Systems v. O2 Micro before the International Trade Commission, Washington, DC, Investigation No. 337-TA-666, the Honorable E. James Gildea presiding

Dates: August 2009 – November 2009

Testifying expert witness for O2Micro in this patent infringement matter. Prepared an expert report and was deposed in October, 2009 and the trial occurred in October, 2009. The opposing side's expert, whom I was rebutting, was dropped from the trial so I did not testify in court.
